

Parent Action on Drugs Annual Report 2016-2017

PAD's Mission is to provide innovative, evidence based programs and resources for youth, families, professionals and community members concerning issues that impact substance use and youth.

Strengthening Families for Parents and Youth

Strengthening Families for Parents and Youth (SFPY) is a nine week skill-building program for families. The program takes a "whole family" approach that helps parents and teens to develop trust and mutual respect. With the support of the City of Toronto and a partnership with La Passerelle-I.D.É. PAD delivered *Strengthening Francophone Youth, Families and Communities* in French.

3 cohorts ♦ **29** families ♦ **30** parents ♦ **42** youth

1 community Forum

A three year project completed June 2017.

HC Link

HC Link provides services to organizations, community groups and all those who support building healthy communities in Ontario. HC Link is a collaborative of three individual organizations: Health Nexus, Ontario Healthy Communities Coalition and Parent Action on Drugs. PAD is the lead for Communications & Information and Knowledge Exchange.

In addition, PAD delivered **5** webinars:

- ▶ Using Evidence to Inform Substance Misuse Prevention Initiatives
- ▶ Building Community Capacity for a Family Based Program
- ▶ Vapes, Chews and Hookahs
- ▶ Canadian Youth Perceptions on Cannabis: Research Results and Lessons Learned
- ▶ Canadian Youth Perceptions on Cannabis: Implications for Practice and Policy

and **3** workshops:

- ▶ Youth and Substance Use
- ▶ Leadership
- ▶ Strategic Planning

Peer Education

GET READY

Peer Education Programs follow a youth to youth delivery model with older students delivering programs to younger students. These programs follow a youth engagement model.

277 peer leaders trained in
17 training sessions

26 grade 6 classes - over
650 students

92 grade 8 classes - over
2,300 students

21 grade 9 classes - over
525 students

**This year PAD reached
over 3,475 students**

Over **5,500** PAD resources were distributed across Canada.
